

July 2023

Dear Neighbor:

We are organizing a **school supply collection** for kids in our community that need a little extra help right now. We hope you can help!

Here is a list of the needs:

Backpacks (gently used is fine), crayons, markers, colored pencils, glue sticks, Elmer's glue, sharpies, pencil boxes, pencils, scissors, rulers, Kleenex and ziplocks.

A big group of kids in our community is going to collect, sort, and then deliver these items to our neighboring schools and housing complexes. If you can help us, I can come and pick up the supplies or if it's easier to drop them to my house, that would be great too. **We just need to have all of the supplies by Thursday, July 20**, so we can get them to our friends before school starts.
