

RADICAL LOVE

Radical Love New Neighbor Kit

Household items

Thank you for helping welcome a family that is new to our community and country. Your work will show love, hospitality, and hope for their future here.

Once you have collected the items on this list (for a family of 4 people), please alert Ashley (ashley@theradicallove.org). She will then provide the name, address, and phone number of the receiving family for you to deliver the kit.

Thank you for loving and helping our neighbors!
