

GOOD NEIGHBOR GROCERIES

Thank you for signing up to help with our “Good Neighbor Groceries” initiative. The bag of groceries that you purchase and deliver with bring nourishment and encouragement to our new refugee families that need extra assistance right now. If you have any questions on the project, please contact us.

1. After signing up for a spot, you will received an email from Radical Love that outlines this project and provides details needed. We anticipate a bag of groceries that includes 7-10 of these items would cost \$50-\$75.

Needed items include:

A bag of fresh fruit (apples, oranges, bunch of bananas)
Fresh vegetables
Spaghetti and sauce
Beans
Rice
Eggs
Cooking oil
Box of cereal
Butter
Loaf of bread
Chicken

***Please also include a note with simple words that encourages our new neighbors and let's them know how needed and loved they are.*

2. Check the sign-up for the delivery dates and times. The email from Radical Love will tell you the delivery address.
3. When you arrive at the address, you will see a cooler, with a small Radical Love logo on the lid. Please place the groceries into the cooler, take a photo, and text it to the phone number provided in the email. Radical Love will then alert the family that the groceries have been delivered.

Thank you for helping us love our neighbors in this very real and amazing way. Your kindness and generosity is making such a big difference!
